Tonnex Donates \$20,000 to The Good Friday Appeal:

TOTTENHAM, VIC -- April 27, 2011 – Tonnex International are proud to announce a donation for \$20,000 to the 2011 Royal Children's Hospital Good Friday Appeal.

“Watching the appeal each year, your heart goes out to the families who require the amazing support of the Royal Children's Hospital. Thankfully as a parent we have not had a 1st hand experience with the hospital for our children, but as a child I was regularly in and out of the hospital, so The Appeal has always been quite close to me” said Tonnex International Director, George Kozman.

The Royal Children's Hospital (RCH) Melbourne is one of the world's great children's hospitals. It is the major specialist paediatric hospital in Victoria and its care extends to children from Tasmania, southern New South Wales and other states around Australia and overseas.

“We are committed to supporting many Local and National charities and being parents ourselves, feel very strongly about the Good Friday Appeal and the amazing work that The Royal Children's Hospital do” said Tonnex International, Director George Solomon

To donate to The Royal Children's Hospital Good Friday Appeal visit <http://www.goodfridayappeal.com.au/> and follow the prompts, or [click here](#) to be taken directly to the donation portal
